About us

MARIWARD(Guangzhou) Governor Co.,Ltd. was established in 2005, is specialized in the R&D and manufacturing Governor Test Stands and related accessories.

MARIWARD(Guangzhou) Governor Co.,Ltd. newly developed a speed adjusting motor that can be derived from dozens of types with various appearance and parameters.

This product can replace the speed adjusting motor used by WOODWARD, EUROPA, ZEXEL and other brands of governors. It comes in three main type, the first type can replace the type SMM40 motor used by WOODWARD governors. The second type can replace the type PM1 48-25 motor used by EUROPA governors. The third type can replace the type SS40E2Z1-H2LN motor used by ZEXEL governors.
